

We thank you for your support. Donated items need to be clean, in usable condition, and in good working order. If we cannot sell your donations, we are forced to take them to the dump. This costs us money and cuts into the proceeds we are able to contribute to the Camano Center and the programs and services it provides to our seniors and to our community. Thank you for your careful consideration of your donation to help us reduce our dump fees.

*Furniture acceptance is based upon condition and space availability. We recommend calling us to discuss donations of larger items or for clarification.

Donation Items We Can Accept

- Clean gently used clothing and shoes
- Clean gently used linens
- Household & home décor items
- Small appliances (working coffee makers, mixers, waffle makers, etc.)
