Preserve Your Legacy. Strengthen Your Community.

For many individuals with retirement assets, Required Minimum Distributions (RMDs) can increase taxable income at a time when additional withdrawals may not be needed.

A Qualified Charitable Distribution (QCD) offers a thoughtful way to support an organization while managing tax exposure and aligning your giving with your values.

Why Consider a QCD?

A QCD allows individuals age 70½ or older to give directly from their IRA to an organization they care for. This type of gift can reduce taxable income and may count toward your RMD.

QCD Benefits:

- Reduces taxable income
- Satisfies Required Minimum Distributions
- Potentially lowers Medicare IRMAA premiums
- Aligns giving with long-term legacy goals

Your Impact

Your generosity supports programs that reduce loneliness, strengthen independence, and promote well-being for older adults in our community.

If you are considering a QCD this year, we invite you to include The Camano Senior Services Association among the organizations you support.

For details on how to complete a QCD, please see reverse →
